

Installing the Kattack Race Publisher

May 26, 2007

KATTACK performance app raising the level of play
5115 Excelsior Blvd Suite 230, Minneapolis, Minnesota 55416
www.Kattack.com

Step 1: Contact Kattack Support for Usernames and Passwords

- 1) Send email to Support@Kattack.com requesting a Kattack Publisher account.
- 2) Via email, you will receive Usernames and Passwords for two accounts:
 - a. Player Account – used to login to the Kattack Race Player and to www.Kattack.com.
 - b. Publisher Account – used to login to the Kattack Race Publisher and to www.Kattack.com.

Step 2: Download/Install/Run the Kattack Race Player

- 3) Go to www.Kattack.com
- 4) Login with the “Player” username and password.
 - a. The “Player” username and password is acquired from Kattack support.
- 5) Under the “Support” menu select “Downloads”
- 6) Click “Download Free Kattack Race Player V2”
 - a. Follow the instructions.

Step 3: Run The Kattack Race Player

- 1) From the Windows “Start Menu”, in the “All Programs”, find the “Kattack” folder.
- 2) Select, in the “Kattack” folder, “Kattack Race Player II”.
- 3) Login using the Player username and password.
- 4) Exit.

Step 4: Install Garmin USB Drivers

- 1) Go to <http://www.garmin.com>
- 2) Select “Support” from the top menu
- 3) Select “Updates & downloads” from menu on the left.
- 4) Select “Additional Software” in middle of the page
- 5) Select “E-trex Venture Cx”
 - a) The current URL should be http://www8.garmin.com/support/download_details.jsp?id=591
- 6) Download “USB Drivers”
- 7) Run & follow instructions
 - a) Start WITHOUT the GPS connected to the computer with the USB cable.
 - b) Connect the GPS when instructed by the installation instructions.

Step 5: Download and Install Kattack Race Publisher

- 1) Go to www.Kattack.com
- 2) Login with the “Publisher” username and password.
- 3) Under the “Support” menu select “Downloads”
- 4) Click “Download Kattack Race Publisher”
 - a. Follow the instructions.

Step 6: Run The Kattack Race Publisher

- 1) From the Windows “Start Menu”, in the “All Programs”, find the “Kattack” folder.
- 2) Select, in the “Kattack” folder, “Kattack Race Publisher”.
- 3) Login user the Publisher username and password.
- 4) Exit.

Step 7: Complete
